Testimonials

We are sending out a call for help! Poooh Busters wants to enhance our website to include a webpage of customer's testimonials. This will help those potential clients who are thinking of signing up for service to know that we are a reputable company that provides top notch service.

If you are a happy customer and enjoy the service we provide, we ask that you send an email with a short sentence or two explaining that you enjoy our service, the convenience, our reasonable rates or whatever it is that makes you glad to be our customer. We are growing everyday but input from our loyal customers will help to make us an even bigger success!

If you wish to help please send an email to info@pooohbusters.com and be sure to state that you give Poooh Busters permission to use your quote on our website.

Important Announcement

With summer rapidly approaching many people will take vacations and leave their homes for an extended period of time. With that, some will take their pets with them or have them stay with family and friends. This could potentially leave your yard clean and pet waste free for the duration of your absence.

It is very important that you inform us what dates you are away and that you will not require waste removal. This will ensure that your service is extended and your credited weeks are not wasted. If we show up to clean your yard and there is no poop to scoop, unfortunately we still have to charge you for that week. So please call or email us as soon as you know you won't need our service for the weeks you are away!
