### Let's All Do Our Part!

In the spirit of this month's Pooper of the Month, I want to devote this issue to the dedicated people and organizations that rescue and care for unwanted, neglected and abused animals. Without these folks, thousands of pets across North America wouldn't have a hope.

### Pooper of the Month

We are proud to showcase Archie, Silas, and Tammy as November's Poopers of the Month! These are three very special dogs that are owned by some very special people who dedicate much of their lives to fostering rescue animals. Check these pooches out in the [Feature](#) section!

### Did You Know?

That the Calgary Humane Society investigated 971 animal concerns just to August 1, 2007? The biggest majority of the concerns were for animals that were not receiving the proper food, water or shelter that they need to survive. The next biggest concern was abandonment. Please be sure to go the Calgary Humane website at [www.calgaryhumane.ca](http://www.calgaryhumane.ca) and see their latest newsletter for complete details.

### What Can I Do To Help?

Pet lovers don't always just help by donating money. These organizations can use help in other ways too. We don't always have as much cash to give away as we'd like so what else can we do?

- Volunteer at shelters
- Foster animals in your home
- Report any signs of neglect or abuse to the proper authorities immediately
- Donate much needed supplies
  - Dog Toys
  - Office Supplies
  - Dog, Cat, Rabbit, Bird Foods (call the shelter to see if they have a brand preference)
  - Gift Certificates to Costco, grocery stores, Canadian Tire
  - Support retailers that support animal health & wellness education ( [www.PetPlanet.ca](http://www.PetPlanet.ca) )
- Be responsible:
  - Get your pet spayed or neutered
  - Only own a pet if you can truly afford it and have the time to dedicate
  - Adopt instead of buying an animal from a pet store or un-reputable breeder

If we all do a little something, we can make this world a much better place for all animals

### We Need Pooper of the Month Pictures for 2008!

It's that time again where we need to start thinking about the New Year. Poooh Busters needs your pet photos for the 2008 Poopers of the Month. Send us your photos with a short bio about your dog and we'll start posting them in January. As always, we'll post them on a first come basis so the sooner you send them in, the sooner your dog will be featured! Send your pics and bios to [roland@pooohbusters.com](mailto:roland@pooohbusters.com)

Poooh Busters supports [www.calgaryhumane.ca](http://www.calgaryhumane.ca) , [www.arf.ab.ca](http://www.arf.ab.ca) , and [www.fureverafter.org](http://www.fureverafter.org)

Be sure to check out the Pooper-of-the-Month feature in December! It will showcase the owner of Poooh Busters, Roland Pearson and his three dogs Puck, Vegas, and Sanchez!
