# Poooh Busters Newsletter!

## Spring is here?

I *hope* Spring has finally arrived! April snow came instead of April showers. I believe the worst is behind us and we can get back to thinking about all the great outdoor stuff to come!

### Calgary's Off-leash Dog Parks

Most pet owners give the ultimate treat of taking their dogs to the many off-leash parks located throughout the city. These parks are an extremely fun way for your dog to burn off a ton of energy. They love it and they love you for taking them there! Did you know that there are 69 communities throughout Calgary that have off-leash dog parks available to Calgary residents? 69! Who knew? For a full listing of the dog parks and their locations go to the City of Calgary website at [www.calgary.ca](http://www.calgary.ca) They have two PDF documents available for download that provide a listing of each neighbourhood and the addresses of the parks within them.

Do your beloved dog a favour and take him or her to a park near you. They will love you for it and it allows them to socialize with other off-leash dogs. It's great exercise for both you and your dog!
