Poooh Busters Newsletter!

Summer is here? ...mixed with rain!

Happy June everyone! We hope everyone's summer is starting off with a bang. The May long weekend brought some of the finest weather Calgary has seen in months but it's been all down hill since then. Chin up dog lovers, finer weather is yet to come!

Poooper of the Month

We are proud to present Lulu, Archie and Bilbo! Three very special Chinese Pugs are featured this month for June's Pooopers of the Month. Be sure to check them out in the Feature section of our website!

Did You Know?

That Poooh Busters now offers a dog sitting service in your home! That's right! And just in time for summer vacation and holidays. Since Erin has joined the team, we are able to offer this fantastic service to all our customers. What is better than piece of mind while you are on vacation? Nothing is worse than worrying about your loved ones while you are away trying to have a good time. Don't take your dog out of his happy place, your home. And I don't know about you but I hate having to impose on family and friends to look after my pets. They have to come to the house everyday to feed the cats, change their litter, feed the fish, pick up mail and newspapers, etc, etc... Let us take all that worry away. Call us for more information and book your dates while they are still available!

The Calgary Humane Society's Be Our Hero Campaign

Be sure to go online to the Calgary Humane Society's website and take part in their 2008 Summer Lottery! Homeless animals are the biggest winners – since 2000 a whopping \$1.2 million has been raised for Calgary's orphaned animals through this lottery – one ticket at a time! Visit their website today for more details. [http://](http://www.calgaryhumane.ca/)

Call for Pictures of your Dog!

We still need a few more pictures for our Poooper of the Month feature. We have only enough for two or three months and then we'll be fresh out of dogs to show-case! That would just be a crime. So come on people! Show us how proud you are of your dogs and email us some cute shots of your pet! The sooner you send them, the sooner they will appear on our Feature page. Email them to roland@pooohbusters.com today!

Well that's it for this month. Be sure to get out there and enjoy the summer, take your dog to the off-leash parks, go camping, go swimming, and get all the barbequing in that you can! Our summers are short enough so take full advantage of them with your dogs; they'll love you for it! See you in July for the Stampede edition, yee haw!!
