Pooh Busters and the 2009 Calgary Pet Expo

Spring is almost here! Almost...

It seems every time we book a number of initial cleans over the weekend, we have to postpone them due to more snowfall. I think everyone has had just about enough! Anyway...onto a more positive note.

With the arrival of Spring or more specifically, April, Pooh Busters is gearing up for our annual participation in the Calgary Pet Expo! We are very excited again this year to be a part of a great show and event.

The Pet Expo is not only a great place to find a myriad of pet resources but it's a great way to find out just how many Calgary organizations there are that provide pet services.

Calgary isn't only big pet store chains, it's comprised of other businesses just like ours. People who genuinely care about animals and try to make living at doing something they love.

Dog walkers, pet sitters, trainers, rescue foundations, specialty products, businesses that focus on certain types of animals or breeds of dogs.

The first time I attended to support Pooh Busters and take pictures of the booth, I was amazed to see how many booths there were of local organizations. I thought the

Expo would just be full of Petland displays and animal life insurance companies.

So with Pooh Busters attending the show for the third time in a row, we want to celebrate by offering a show special to not only any new clients that sign up for service at the show but for all of you, our current and loyal customers too!

Anyone who comes down to the show and visits our booth will be rewarded in several ways:

1. Receive our show special rate of \$99 for 3 months of weekly service (12 weeks)
2. Enter our draw to win an entire six months (26 weeks) of weekly service
3. You get a chance to enjoy the Pet Expo and see all the local services that Calgary has to offer pet owners like you

The 2009 Calgary Pet Expo will take place at the Big Four Building on the Stampede Grounds.

Show dates are:

April 18: 10am - 6pm

April 19: 11am—5pm

For more information be sure to visit the Pet Expo's website at: www.canwestshows.com or contact Roland, Erin or Big Nate. We will be happy to answer any questions you have!

Did you know:

- ☺ ...that dogs are not strictly carnivorous? They are omnivores and require a diet with more just meat to make them flourish!
- ☺that people with more than one dog shouldn't treat them all as equals? Pack position is important to a dog and treating them all equally can lead to jealousy games and conflict.
- ☺ ...that burying bones is part of a dog's feeding ritual? Also shaking things is part of its hunting ritual.

Was Pooh Busters here this week?

Some of you may be wondering at times if we've been by to do your weekly service. It can be hard to tell at this time of year whether we have been by or not. It snows sporadically from day to day and the yard gets covered over by a fresh layer of the white stuff. Well be rest assured that if you do not have

a door hanger resting on your door knob when you get home, we have not been by this week. During these uncertain times of crazy weather, we will make a last minute call to not service the yards on our route that day. If the snow is falling, we just can't do a proper job of cleaning the poop up and provide you

with level of service you are paying for. So please know that we will be by next week (weather permitting) to continue on with your service. We will not charge your account for the week that was missed. If you have any concerns we are always pleased to speak with you.
